eheadrick@rfmarch.com**Rice Fergus Miller Announces New Hires**

Bremerton, WA—June 12, 2013

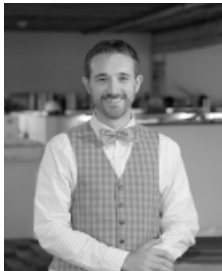

Rice Fergus Miller, a 45-person architecture, interior design, and planning firm has added four employees.

Austin Flink joined Rice Fergus Miller to provide graphic identities for architectural projects. He creates renderings, 3D models, signage packages, and project-specific brands across the firm's markets. In addition to project graphics, he creates marketing collateral including presentation materials and print media.

Austin Flink

Jason Ritter-Lopatowski has over 8 years of design and project management experience. He has worked on various types of projects including commercial, military, educational, and hospitality buildings. Jason has managed all aspects of projects from initial client communication through permitting and construction administration. As a LEED Green Associate he utilizes sustainable design techniques.

Jason Ritter-Lopatowski

InKyoung Kim, LEED Green Associate, is a designer with a focus in senior living and healthcare projects. Beyond traditional architectural services, she supports projects of all markets with her expertise in graphic design.

InKyoung Kim

Richard was born and raised in Kitsap County. He is a designer with 10 years of experience with a focus on the design, permitting, and construction administration of residential buildings and remodels. He has also contributed to the success of many community projects, mixed-use buildings and commercial tenant improvements.

Rice Fergus Miller is located in downtown Bremerton and can be reached at [www.rfmarch.com](http://www.rfmarch.com).
